

# 1938 Silvertone (Sears) Model 6021

Offered for sale by the National Capital Radio & Television Museum

**\$89.95 (plus tax if you live in Maryland)**

NOTE: This radio was donated to the NCRTV Museum with the intent that it be sold,, and is not an accessioned item from the collection.

It is a 6-tube radio with the broadcast band and two shortwave bands going up to 16 MHz.

It has been fully restored by the National Capita Radio & Television Museum and comes with a three month parts and labor guarantee. The cabinet is very good condition, original finish. A brand new magic eye tube has been installed. Sounds very good.
